## PORT HIGHLIGHT ÇEŞME, TURKEY

The resort town of Çeşme retains its original, local style. A long waterfront is perfect for sunny strolls, while bustling shops and eateries are all equally satisfying destinations. Then, head to the nearby medieval Çeşme Castle, where an archaeological museum houses collections of marble busts and other artifacts from nearby excavations.

## OPTIONAL MINDFUL LIVING TOUR

### KOS: ASKLEPION — THE HOME OF MEDICINE

Start your Wellness experience with a visit to Asklepion – the most prominent archaeological site on the island of Kos. In ancient times, this site served as a temple to Asklepios (the god of medicine and health) as well as a healing resort. Nearby, you can harvest ripe olives from a local olive grove, press your own oil and sample it along with other traditional specialty products and a glass of local wine.
